Welcome to the Mayor's Weekly Update! This newsletter is designed to provide you with up-to-date information, news, and events about the City of Keller.

In the City of Keller we enjoy an excellent quality of life. Not only do we have talented, dedicated, and hard-working staff and volunteers, but our neighborhoods are filled with citizens that care about their neighbors and demonstrate a real sense of community every day. This is what makes Keller your city to call home.

Sincerely,

P.H. McGrail

Mayor Pat McGrail
City of Keller

**Greater Keller Women's Club Foundation
donates funds to Keller Public Library**

The Greater Keller Women's Club Foundation had its annual dinner on June 18 to distribute funds members raised with the Club's annual Garden of Roses Fashion Show conducted each March. The Club donated funds to the Keller Public Library to purchase new materials for children and young adult. The Club distributed a total of \$97,000 presented to 13 charitable organizations and nine scholarships to Keller ISD graduating seniors - [click this link](#) to see a full listing of contributions. In addition to its own fundraisers, the Club helps other charities raise money at their events, picks up trash along the streets, serves food at senior citizens' special events and more. Another way members raise funds is by working at races at Texas Motor Speedway and Oktoberfest in Southlake. Sales of the "Texas Wildflours" cookbook and the annual craft auction dinner are used to help individuals in the community. A lasting and visible symbol of the Club's work was its donation to help purchase the "Protector of Freedom" sculpture at the Keller Veterans Memorial Park. For information about the Club, visit www.gkwc.org.
